

Swim Pro™ Swim & Fitness Spas – Commander

Commander™ F-1681

12 Person Swim Spa

Inspired by the success of the Swim-Pro F-1325, the Commander F-1681 features both therapy and bench style seating areas with addition of the Cal Spas Exclusive Vertical Hydrossage™ station. This unique standup therapy section features 54 Hydro-Pro™ Rain Jets for a full body massage that helps improve blood circulation to soothe sore muscles after an intense swim. The power of 4 swim jets work in conjunction to deliver a steady swim current with pin point resistance. The swim system features 2 River Jets on top which provide smooth upper body resistance, while the lower 2 Old Faithful jets provide added resistance and lift, making this system perfect for swimmers looking a great aquatic workout to burn calories and increase muscle mass. Over 11-feet of unrestricted fitness area allows for intense treadmill swimming session which keeps the swimmer in place. The swim area also doubles as a "party zone" for a group of up to 12 friends!
