Cal Spas® Gives Birth to New 8-Footer Hot Tubs

Leading spa manufacturer releases new product at amazing price point

Pomona, CA — (April 28, 2015) Cal Spas®, the world leader in innovative Home Resort products, is proud to release two revolutionary eight-foot spas in addition to their popular Patio™ Spa Series, the Z835 Bench Spa and Z835 Lounge Spa. The new Z835 spas provide hot tub enthusiasts with the best value hot tub in the industry!

“The Patio™ 835 Spas are guaranteed to provide users a higher performing hot tub and a more intense hydrotherapeutic experience while remaining in a very competitive price point,” says Casey Loyd, President of local manufacturer, Cal Spas®. “The latest additions to the Patio™ Spas were engineered by Cal Spas® professional development team who work rigorously to provide ingenious products that exceed consumer expectations on every investment made on a Cal Spas®. The Patio™ 835 Spas are no exception, consumers are guaranteed to get the highest quality spa at the best price.”

The 8-foot Patio™ 853 Spas are available in a lounge and bench configuration, allowing its users to unwind in style among the 35 stainless-steel jets and an LED curved cascade waterfall feature. A two-pump system allows for a better hydro massage and promotes better filtration to keep the spa water crystal clear and ready to enjoy year-round. The lounge configuration is ideal for those seeking an incomparable hydrotherapy experience, while the bench configuration allows an entire family or group of friends to enjoy the hot tub at one time.

[more]

A new larger 5-inch underwater LED illuminates the spa floor, while individual programmable LED's can be enjoyed from inside or outside the hot tub. Users may also choose to upgrade their spa by adding an iSound System or Wi-Fi capabilities to transform their backyard into the ultimate home resort destination. The new 8-foot Patio™ 853 Spas offer the best price for the most features, giving consumers the best value in the hot tub industry.
