Cal Spas Wins 2013 Best Of Class Award

PoolAndSpa.com announces winners of the Best Of Class Award for quality products and service

Los Angeles, CA—(June 25, 2013) Cal Spas®, the world leader in stylish Home Resort Products™, has been granted the 5 Star Best Of Class Award by PoolAndSpa.com. The award program recognizes outstanding superior products, innovation and customer service in the pool and spa industry.

"Our engineering department works around the clock to provide our production line with the most innovative, efficient, and exclusive quality products available on the market", says Shiva Noble, Executive Vice President of Cal Spas. "For more than 22 years Cal Spas' manufacturing philosophy has been to build a quality product that creates the lifelong happy customer. We feel we've revolutionized the spa industry with stand-out features."

Cal Spas earned the Best Of Class Award by achieving PoolAndSpa.com's quality product inspections. Additionally, over 5,000 phone and email interviews and surveys were conducted by a third party consumer survey company throughout 2012 to present, which validates Cal Spas quality products and customer service.

Daniel Harrison, President & CEO of PoolAndSpa.com, reports that "We have had a long standing relationship with Cal Spas over the past two decades, and their continued high quality products and innovations never cease to amaze me. They have always been a very forward-thinking company and a trend setter within the Hot Tub Industry. We are very proud of their accomplishments in taking our industry to the next level of design, creativity and product safety – as well as their professional customer service that consumers have enjoyed from Cal Spas over the years. Congratulations to all at Cal Spas for winning this years' Best Of Class Award for Hot Tub Product Innovations."
