Cal Spas® Hosts Vendor Appreciation Dinner

Leading spa manufacturer welcomes vendors for evening of fun

Pomona, CA — (August 1, 2014) Cal Spas, one of the leading spa manufacturers in the nation hosted a Vendor Appreciation Dinner on July 31, 2014 at their corporate office in Pomona, CA. The event was held to recognize the quality products and high level of service provided by its vendors/partners.

It was a great opportunity to thank the suppliers for their efforts in helping Cal Spas manufacturer the most innovative and well designed hot tubs in the market. One of the key elements in producing quality products is the materials used to build the merchandise. Our success and the success of our suppliers go hand-in-hand, and our commitment to our strong partnership has created mutually beneficial results.

“It is always a pleasure to spend time with our vendors and express our sincere appreciation for their partnership. The relationships we have built with our suppliers help us continue to provide our dealers with quality products we can be proud of,” said Casey Loyd, Cal Spas President.

The catered affair brought together some of Cal Spas team leaders and approximately 40 vendors/partners. They enjoyed delicious food, cocktails and lively conversation while viewing product displays

The event was a great success and further solidified the strong partnership between Cal Spas and their incredible vendor network.
