Pomona, CA — (July 29, 2015) Cal Spas®, the world leader in innovative Home Resort products, will be featured on VH1's soon-to-be reality hit series, *Twinning*. Cal Spas® provided a twin-set of Platinum P860 Spas for the contestants to relax and frolic in between competitions.

"Cal Spas continues on its quest to be the world's most recognized hot tub brand by staying in front of consumers," says Cal Spas® President, Casey Loyd. "We proudly display our product as a source of entertainment for the entire family to enjoy. We know the cast of *Twinning* enjoyed the luxurious Platinum Spas we provided the show."

The show separates 12 sets of twins in two houses to test their "twintuition." Each house includes a Cal Spas® Platinum P860 Spa for contestants to enjoy. "[The hot tubs] completed our patios adding both visual interest and a very fun interactive element that was the center of our outdoor areas," said Isabella Scannone, art director from *Twinning*.

ABOUT "TWINNING"

For the first time ever, VH1 is doubling down on a reality competition series that will put "twin-tuition" to the test in "Twinning" premiering Wednesday, July 22nd at 10PM ET/PT with ten hour-long episodes.

Hosted by Angie Greenup, "Twinning" is an arc'd competition series in which twelve sets of twins will go head to head for a grand prize of \$222,222.22. But getting there won't be easy. Viewers will experience double the meltdowns, double the hook-ups, and, of course, double

the twists when twin teams are pushed to their limits in unexpected ways. As the strengths and weaknesses of each twin pair is revealed, relationships will be tested and resentments will be exposed. In the end, the pair of twins left standing will win the cash prize, and be crowned as the twinner.
