**Cal Spas® Unleashes Fully Loaded Spa Under \$5,000**

*Leading spa manufacturer offers new products in popular hot tub series*

**Pomona, CA — (April 20, 2015)** Cal Spas®, the world leader in innovative Home Resort products, is proud to announce the addition of two new innovative spas to their popular Patio™ Spa Series, the Z735 Bench Spa and Z735 Lounge Spa. The only full-sized and fully loaded hot tubs in the market under \$5,000.

“The new Patio™ 735 Spas provide users a higher performing hot tub and a more invigorating hydrotherapeutic experience while remaining in a competitive price point,” says Casey Loyd, President of local manufacturer, Cal Spas®. “The new Patio™ Spas were engineered by Cal Spas® professionals who work relentlessly to provide innovative products that exceed expectations on every investment made on a Cal Spas® hot tub. The new Patio™ 735 Spas are guaranteed to supply consumers with the best quality spa, at the best price.”

The 7-foot Patio™ 753 Spas are available in a lounge and bench configuration, allowing its users to unwind in style among the 35 stainless-steel jets and an LED curved cascade waterfall feature. The lounge configuration is ideal for those seeking the ultimate hydrotherapy experience, while the bench configuration allows an entire family or group of friends to enjoy the hot tub at one time. The two-pump system allows for a better hydro massage and promotes better filtration to keep the spa clean year-round.

A large 5-inch underwater LED illuminates the spa, while programmable individual LED’s can be enjoyed from inside or outside the hot tub. Users may also choose to upgrade their spa by adding an iSound System or Wi-Fi capabilities to transform their backyard into the ultimate home resort destination. The Patio™ 753 Spas offer the best price for the most features.
